The whole day will be given over to craft and Christmas activities. There is a suggested donation of £2 per child. We normally raise a significant amount for this great cause and welcome your support and generosity.

Choir at Winter Gardens

Our choir are performing at the Blackpool Music Service Christmas Festival at the Winter Gardens on Tuesday 10th December at 7.00pm.

Thank You

We would like to say a huge thank you to Dorothy Muspratt, a grandparent helper, who has been a volunteer here for 15 years. Dorothy leaves us at Christmas to support her family. She has been an amazing help in supporting many children with their reading.

Healthy Lives

This year the local NHS has enlisted the help of Santa's own health advisor, Harry the Health Elf on a Shelf' to teach young people and their families how to stay well in the winter. Unlike his Elf on a Shelf cousins, who are notoriously naughty, Harry will be found having his flu vaccination, eating healthy hot meals and being active. Locals Helping Locals

A big thank you for your amazing generosity in providing donations for The Blackpool Food Bank. Myah C, Elise H and Jack H are children from Roseacre whose parents were involved in setting up Locals Helping Locals. Well done everyone.

Compliment

A parent has emailed us to say that her son in Year 1 had been signing along to a Christmas song he had learnt in school and that a disabled girl had enjoyed watching him as she could follow along. What a lovely example of how what we learn in school can be used outside of school.

Christmas parties

All Christmas parties are being held during the final week of school Monday 16th December – Friday 20th December. An app message will be sent as a reminder.

Junior Library event

Palatine Library are holding a Victorian Christmas history event on Saturday 14th December at 2.30pm – 3.30pm. There will be story time and fun facts. Booking is essential and can be made via the library on 01253 478050.
