## Statement of intent

Roseacre Primary Academy values all pupils and celebrates diversity of experience, interest and achievement. All pupils need to experience praise, recognition and success, and pupils with SEND have equal entitlement to this.

This policy outlines the framework for the academy to meet its duty, obligation and principal equality values to provide a high-quality education to all of its pupils, including pupils with SEND, and to do everything it can to meet the needs of pupils with SEND.

Through successful implementation of this policy, the academy aims to:

- Eliminate discrimination.
- Promote equal opportunities.
- Foster good relationships between pupils with SEND and pupils without SEND.

The academy will work with the LA, within the following principles, which underpin this policy:

- The involvement of pupils and their parents/carers/carers in decision-making
- The identification of pupils' needs
- Collaboration between education, health and social care services to provide support
- High-quality provision to meet the needs of pupils with SEND
- Greater choice and control for pupils and their parents/carers/carers over their support
- Successful preparation for adulthood, including independent living and employment

- DfE (2015) 'Supporting pupils at academy with medical conditions'

- DfE (2018) 'Working Together to Safeguard Children'
- DfE (2018) 'Mental health and wellbeing provision in schools'
- DfE (2014) 'School Admissions Code'

## **2. Identifying SEND**

2.1. Roseacre Primary Academy has a clear approach to identifying and responding to SEND, and recognises that early identification and effective provision improves long-term outcomes for the pupils.

2.2. With the support of the SLT, classroom teachers will conduct regular progress assessments for all pupils, with the aim of identifying pupils who are making less than expected progress.

2.3. '**Less than expected progress**' will be characterised using the following stipulations:

- Progress is significantly slower than the class average, from the same baseline
- Progress does not match or better the pupil's previous rate of progress
- Progress fails to close the attainment gap within the class
- The attainment gap is widened by the plateauing of progress

## **3. Definitions**

3.1. For this policy, a pupil is defined as having SEND if they have a:

- Significantly greater difficulty in learning than most others of the same age.

- Disability or health condition that prevents or hinders them from making use of educational facilities used by peers of the same age.

3.2. Under the Equality Act 2010, a disability is a physical or mental impairment which has a long-term and substantial adverse effect on a person's ability to carry out normal day-to-day activities.

3.3. The academy reviews how well equipped we are to provide support across the following areas:

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health difficulties
- Sensory and physical needs

### **Communication and interaction**

3.4. Pupils with speech, language and communication needs (SLCN) have difficulty in communicating with others, often because they have difficulty saying what they want, they cannot understand what is being said to them, or they do not understand or use social rules of communication.

3.5. The academy recognises that:

- Pupils with Autism Spectrum Disorder (ASD), can have particular difficulties with social interaction.
- The profile for every pupil with SLCN is different and their needs may change over time. They may have difficulty with one, some, or all the different aspects of speech, language or social communication at different times of their lives.

3.6. The SENDCo will work with pupils, parents/carers/carers, and language and communication experts where necessary to ensure pupils with SLCN reach their potential.

### **Cognition and learning**

3.7. Pupils with learning difficulties may require support –Assess, Plan, Do Review cycle will be put in place.

3.8. The academy understands that learning difficulties cover a wide range of needs, such as moderate learning difficulty (MLD), severe learning difficulty (SLD) and profound and multiple learning disabilities (PMLD). The SENDCo will ensure that any provision offered will be suitable to the needs of the pupil.

3.9. Specific learning difficulties (SpLDs) affect one or more specific aspects of learning. This encompasses a range of conditions such as dyslexia, dyscalculia and dyspraxia.

### **Social, emotional and mental health (SEMH) difficulties**

3.10. Pupils may experience a wide range of social and emotional difficulties that manifest themselves in many ways, including becoming withdrawn or isolated, or displaying challenging, disruptive behaviour. The academy recognises that these behaviours may reflect underlying mental health difficulties such as anxiety or depression, and the academy will implement a [Social, Emotional and Mental Health \(SEMH\) Policy](#) to support pupils with these difficulties.

3.11. The academy will ensure that provisions are made for the ways in which these mental health difficulties can influence the behaviour of pupils with SEND within its Behaviour Policy.

### **Sensory or physical needs**

3.12. Impairments that prevent or hinder pupils from using the academy facilities, such as vision impairment (VI), do not necessarily have SEND. The academy will ensure staff understand that:

- Some conditions can be age-related and can fluctuate over time.
- A pupil with a disability is covered by the definition of SEND if they require special educational provision.

3.13. The academy recognises, however, that pupils who have sensory or physical impairments may require specialist support or equipment to access their learning, regardless of whether or not their impairment falls under the SEND definition, and the SENDCo will ensure that their support needs are being met.

## **4. Objectives**

4.1 Roseacre Primary Academy will meet the core aims of this policy by achieving the following strategic and measurable objectives:

- To follow the graduated approach outlined in the DfE's 'Special educational needs and disability code of practice: 0 to 25 years'

6.1. The academy will ensure all staff who work with young children are alert to emerging difficulties and respond early.

6.2. The academy will ensure staff listen and understand when parents/carers express concerns about their child's development.

6.3. The academy will listen to any concerns raised by children themselves.

6.4. The academy will ensure that:

- Children with SEND get the support that they need.
- Children with SEND engage in the activities that the academy offers alongside children who do not have SEND.
- The SENDCo is responsible for coordinating SEND provision.
- Parents are informed when the academy makes special educational provision for their child.

## **7. Children with specific circumstances**

### **LAC (Our Children)**

7.1. Pupils at the academy who are being accommodated, or who have been taken into care, by the LA are legally defined as being 'looked after' by the LA.

7.2. The academy recognises that pupils that have SEND are more likely to be 'looked after', and it is likely that a significant proportion of them will have an EHC plan.

7.3. The academy has a designated member of staff for coordinating the support for LAC.

### **EAL**

7.5. The academy will give particular care to the identification and assessment of the SEND of pupils whose first language is not English.

7.6. The academy will consider the pupil within the context of their home, culture and community.

7.7. Where there is uncertainty about an individual pupil, the academy will make full use of any local sources of advice relevant to the language group concerned, drawing on community liaison arrangements wherever they exist.

7.8. The academy appreciates having EAL is not equated to having learning difficulties. At the same time, when pupils with EAL make slow progress, it will not be assumed that their language status is the only reason; they may have SEND.

7.9. The academy will look carefully at all aspects of a pupil's performance in different subjects to establish whether the problems they have in the classroom are due to limitations in their command of English or arise from SEND.

## **8. Admissions**

8.1. The academy will ensure it meets its duties set under the 'Academy Admissions Code' by:

- Not refusing admission for a child that has named the academy in their EHC plan.
- Considering applications from parents/carers of children who have SEND but do not have an EHC plan.
- Not refusing admission for a child who has SEND but does not have an EHC plan because the academy does not feel able to cater for those needs.
- Not refusing admission for a child who does not have an EHC plan.

## **9. Involving pupils and parents/carers/carers in decision-making**

9.1. Parents/carers of pupils with SEND will be encouraged to share their knowledge of their child; the SENDCo will aim to give them the confidence that their views and contributions are valued and will be acted upon.

9.2. Parents will always be formally notified when the academy provides their child with SEND support.

9.3. Decisions on whether the academy will commission added provisions will be discussed thoroughly with the LA, parents/carers/carers and, when appropriate, the pupil involved.

9.4. Decisions about education will not unnecessarily disrupt a pupil's education or any health treatment underway.

9.5. The planning that the academy implements will help parents/carers and pupils with SEND express their needs, wishes and goals, and will:

- Focus on the pupil as an individual, not allowing their SEND to become a label.
- Be easy for pupils and their parents/carers to understand by using clear, ordinary language and images, rather than professional jargon.
- Highlight the pupil's strengths and capabilities.
- Enable the pupil, and those who know them best, to say what they have done, what they are interested in and what outcomes they are seeking in the future.
- Tailor support to the needs of the individual.
- Organise assessments to minimise demands on parents/carers.
- Bring together relevant professionals to discuss and agree together on the overall approach.

9.6. The class teacher, supported by the SENDCo, will meet with pupils and their parents/carers **three** times per academic year to set clear outcomes, review progress, discuss activities and support, and identify parental responsibilities.

## **10. Joint commissioning, planning and delivery**

10.1. The academy is committed to ensuring that pupils with SEND can achieve their ambitions and the best possible educational outcomes, as well as other opportunities, such as securing employment and living as independently as possible.

10.2. The academy will work closely with local education, health and social care services to ensure pupils get the right support.

10.3. The academy will assist the LA in carrying out their statutory duties under the Children and Families Act 2014, by ensuring that services work together where this promotes children and young people's wellbeing or improves the quality of special educational provision (Section 25 of the Children and Families Act 2014).

10.4. Where pupils with SEND also have a medical condition, their provision will be planned and delivered in coordination with the EHC plan.

10.5. SEND support will be adapted and/or replaced depending on its effectiveness in achieving the agreed outcomes.

## **11. Funding**

11.1. The academy will allocate the appropriate amount of core per-pupil funding and notional SEND budget outlined in the Local Offer for the SEND provision of its pupils.

11.2. Personal budgets are allocated from the LA's high needs funding block; the academy will continue to make SEND provision from its own budgets, even if a pupil has an EHC plan.

## **12. [Updated] Local Offer**

12.1. **[Updated]** The academy's governing body will collaborate with and support the LA in developing and reviewing the Local Offer, where necessary and appropriate, to ensure that it is:

- **Collaborative:** Where appropriate, the academy will work with LAs, parents/carers/carers and pupils in developing and reviewing the Local Offer. The academy will also cooperate with those providing services.
- **Accessible:** The academy will collaborate with the LA during development and review to ensure that the LA's Local Offer is easy to understand, factual and jargon-free; is structured in a way that relates to pupils' and parents/carers/carers' needs, e.g. by broad age group or type of special educational provision; and is well signposted and publicised.
- **Comprehensive:** The academy will help to ensure that parents/carers/carers and pupils understand what support can be expected to be available across education, health and social care from age 0 to 25 and how to access it. The academy will assist the LA in ensuring that the Local Offer includes eligibility criteria for services, where relevant, and makes it clear where to go for information, advice and support, as well as how to make complaints about provision or appeal against decisions.
- **Up-to-date:** The academy will work with the LA to review the Local Offer to ensure that, when parents/carers/carers and pupils access the Local Offer, the information is up-to-date

12.2. [New] The academy will provide the LA with information about their existing SEND provision and capabilities to support pupils with SEND to aid in the drafting of the Local Offer, where required.

### **13. Graduated approach**

13.1. Once a pupil with SEND has been identified, the academy will employ the Blackpool graduated approach to meet the pupil's needs by:

- Establishing a clear assessment of the pupil's needs.
- Planning, with the pupil's parents/carers, the interventions and support to be put in place, as well as the expected impact on progress, development and behaviour, along with a clear date for review.
- Implementing the interventions, with the support of the SENDCo.
- Reviewing the effectiveness of the interventions and making any necessary revisions.

### **14. Assessment**

14.1. The academy will, in consultation with the pupil's parents/carers, request a statutory assessment of SEND where the pupil's needs cannot be met through the resources normally available within the academy.

14.2. Consideration of whether SEND provision is required, and thus an EHC plan, will start with the desired outcomes and the views of the parents/carers/carers and pupil.

14.3. The academy will meet its duty to respond to any request for information relating to a statutory assessment within six weeks of receipt.

14.4. The academy will gather advice from relevant professionals about the pupil concerned, including their education, health and care needs, desired outcomes and any special education, health and care provision that may be required to meet their identified needs and achieve desired outcomes.

14.5. In tracking the learning and development of pupils with SEND, the academy will:

- Base decisions on the insights of the pupil and their parents/carers/carers.
- Set pupils challenging targets.
- Track pupils' progress towards these goals.
- Review additional or different provisions made for them.
- Promote positive personal and social development outcomes.
- Base approaches on the best possible evidence and ensure that they are having the required impact on progress.

14.6. Detailed assessments will identify the full range of the individual's needs, not just the primary need.

14.7. Where possible, pupils' needs will be defined under the 'Special educational needs and disability code of practice: 0 to 25 years' broad areas of need:

- Communication and interaction

- Cognition and learning
- Social, emotional and mental health difficulties
- Sensory and/or physical needs

14.8. Where a pupil continually makes little or no progress, or is working substantially below expected levels, the academy will consult with parents/carers/carers before involving specialists.

## **15. Training**

15.1. Relevant staff members will keep up-to-date with any necessary training, which will be provided by the SENDCo, as well as external agencies, where appropriate.

15.2. Training will cover both the mental and physical needs of pupils with SEND.

15.3. The training offered will be delivered to ensure equality, diversity, understanding and tolerance.

15.4. Mental health will be a key consideration for all training that the SENDCo participates in, along with any training that staff are given.

15.5. During staff induction, all staff will receive SEND training.

15.6. Training will cover the following:

- Identifying SEND in pupils
- Liaising with the SENDCo
- Implementing support measures- how to collate an APDR, setting SMART targets.
- Monitoring the success of those support measures

## **16. Promoting mental health and wellbeing**

16.1. The academy will implement a [\*\*Social, Emotional and Mental Health \(SEMH\) Policy\*\*](#).

16.2. The academy will ensure that there is a focus on promoting pupils' resilience, confidence and ability to learn in subjects across the curriculum.

16.3. Positive classroom management and working in small groups will be implemented to promote positive behaviour, social development and high self-esteem.

16.4. A referral to specialist services will be made where a pupil requires such services.(with parent/carer agreement)

16.5. Where appropriate, the academy will support parents/carers in the management and development of their child.

16.6. When in-academy intervention is not appropriate, referrals and commissioning will be used instead. The academy will continue to support the pupil as best it can.

16.7. For pupils with more complex problems, additional in-academy support will include:

- Supporting the pupil's teacher, to help them manage the pupil's behaviour.
- Access to Pupil Engagement Officer support.
- Referral to CAMHs/ Child and Wellbeing practitioner (with parental permission)
- Family support and/or therapy, upon the recommendation of mental health professionals.

16.8. The academy will consider whether disruptive behaviour is a manifestation of SEMH needs.

16.9. The academy will focus on work that helps to build self-esteem and self-discipline with the aim of addressing disruptive behaviour.

## **17. [Updated] EHC plans**

17.1. The academy will fully cooperate with the LA when research about the pupil is being conducted.

17.2. The academy will provide the LA with any information or evidence needed.

17.3. All relevant teachers will be involved in contributing information to the LA.

17.4. **[Updated]** Where the LA provides a pupil with an EHC plan, the academy will involve the parents/carers and the pupil in discussions surrounding how the academy can best implement the plan's provisions to help the pupil thrive in their education, and will discern the expected impact of the provision on the pupil's progress.

17.5. **[Updated]** The academy will meet its duty to provide views on a draft EHC plan within 15 days.

17.6. If the decision is taken not to issue an EHC plan, the academy will consider and implement the recommendations of feedback from the LA regarding how the pupil's outcomes can be met through the academy's existing provision.

17.7. If the LA decides not to issue an EHC plan, the parents/carers of the pupil, or the pupil themselves, will be informed within a maximum of 16 weeks from the initial request of an EHC assessment.

17.8. The academy will admit any pupil that names the academy in an EHC plan or EHC needs assessment process.

17.9. The academy will ensure that all those teaching or working with a pupil named in an EHC plan are aware of the pupil's needs and that arrangements are in place to meet them.

17.10. All reasonable provisions will be taken by the academy to provide a high standard of education.

17.11. **[Updated]** The academy will specify short-term targets sought for a pupil in terms of specific, measurable, achievable, realistic and time-bound (SMART) outcomes.

17.12. **[Updated]** The academy will review each pupil's EHC plan to ensure that it includes the statutory sections outlined in the 'Special educational needs and disability code of practice: 0 to 25 years', labelled separately from one another.

17.13. If a pupil's needs significantly change, the academy will request a re-assessment of an EHC plan at least six months after an initial assessment. Thereafter, the governing body or headteacher will request the LA to conduct a re-assessment of a pupil whenever they feel it is necessary. Following the re-assessment, a final EHC plan will be issued within 14 weeks from the request being made.

17.14 The academy will ensure that any EHC plan information is kept confidential and disclosed on a need-to-know basis.

17.15. Information regarding a pupil's EHC plan will only be shared with other educational settings if the pupil is transferring there, for the setting to develop an individual learning plan.

17.16. The academy will take steps to ensure that pupils and parents/carers are actively supported in developing and reviewing EHC plans.

17.17. Where necessary, the academy will provide support from an advocate to ensure the pupil's views are heard and acknowledged.

17.18. The academy will ensure that parents/carers/carers are consistently kept involved throughout the implementation of an EHC plan.

17.19. The academy will ensure that the whole process of an EHC needs assessment and development takes no longer than 20 weeks from when the initial request was received.

## **18. Reviewing the EHC plan**

18.1. Using the EHC hub, the academy will:

- Cooperate with the relevant individuals to ensure an annual review meeting takes place, including convening the meeting on behalf of the LA if requested.
- Ensure that the appropriate people are given at least **two** weeks' notice of the date of the meeting.
- Contribute any relevant information and recommendations about the EHC plan to the LA, keeping parents/carers involved at all times.
- Ensure that sufficient arrangements are put in place at the academy to host the annual review meeting.
- Cooperate with the LA during annual reviews.
- Lead the review of the EHC plan in order to create the greatest confidence amongst pupils and their parents/carers.
- Seek advice and information about the pupil prior to the annual review meeting from all parties invited, and send any information gathered to all those invited, at least two weeks in advance of the meeting.
- Prepare and send a report of the meeting to everyone invited within **four** weeks of the meeting, which sets out any recommendations and amendments to the EHC plan.
- Provide the LA and parents/carers with any evidence to support the proposed changes and giving those involved at least 15 days to comment and make representations.
- Clarify to the parents/carers and pupil that they have the right to appeal the decisions made in regard to the EHC plan.

## **19. Safeguarding**

19.1. The academy recognises that evidence shows children with SEND are at a greater risk of abuse and maltreatment and will ensure that staff are aware that pupils with SEND:

- Have the potential to be disproportionately impacted by behaviours such as bullying.
- May face additional risks online, e.g. from online bullying, grooming and radicalisation
- Are at greater risk of abuse, including, but not limited to, neglect and sexual violence or harassment.

19.2. The academy recognises that there are additional barriers to recognising abuse and neglect in this group of pupils. These barriers include, though are not limited to, any communication difficulties the pupil may experience, and the common assumption that indicators of possible abuse are related to the pupil's complex needs or disability without further exploration, e.g. peer group isolation, injury, and changes to behaviour and mood.

19.3. The headteacher and governing body will ensure that the academy's Child Protection and Safeguarding Policy reflects the fact that these additional barriers can exist when identifying abuse.

19.4. Care will be taken by all staff, particularly those who work closely with pupils with SEND, to notice any changes in behaviour or mood, or any injuries, and these indicators will be investigated by the DSL.

## **20. Transferring between different phases of education**

20.1. EHC plans will be reviewed and amended in sufficient time prior to a pupil moving between key phases of education, to allow for planning for and, where necessary, commissioning of support and provision at the new phase.

20.2. The review and amendments will be completed by 15 February in the calendar year of the transfer at the latest for transfers into or between academies.

## **21. SEND tribunal**

21.1. All disagreements about an EHC plan will be attempted to be resolved as quickly as possible, without the pupil's education suffering.

21.2. In all cases, the academy's written Complaints Procedures Policy will be followed, allowing for a complaint to be considered informally at first.

21.3. Following a parent's serious complaint or disagreement about the SEND provisions being supplied to a pupil, the academy will contact the LA immediately to seek disagreement resolution advice, regardless of whether an EHC plan is in place.

- Where necessary, the headteacher will make the relevant parties aware of the disagreement resolution service.

- **[EYFS]** Parents are made aware that Ofsted can consider complaints relating to the whole academy SEND early years provision, if the problem has not been resolved informally.

21.4. The academy will meet any request to attend a SEND tribunal and explain any departure from its duties and obligations under the 'Special educational needs and disability code of practice: 0 to 25 years'.
