## MR FARLEY SAYS

Dear parents/carers,  
As another successful and very busy Roseacre school year comes to an end, I'd like to thank all the children for working so hard this year and their families for supporting them in their Roseacre journey.

As always, at this time of year, we say a special farewell to Year 6 children. We wish them all the best and know they will thrive in their next adventure at high school. I hope you all have a great summer and just a reminder that school reopens on Monday 4th September.

Wishing you all a lovely weekend.

## TRAINING TO TEACH

Here at Roseacre we are proud to be heavily involved in teacher training, and our local 'SCITT' [School-Centred Initial Teacher Training] programme is the on-the-job, one year personalised programme of exceptional quality.

If anyone you know is interested in a career in teaching, there are places still available in primary and secondary for this September and it's not too late to apply.

## SEE YOU SOON, NOT GOODBYE

Miss Ballard will be leaving ASCC at the end of term but will remain a friendly face around school.

I would like to thank all of the children in ASCC for all of the fun we have shared over the last two years. A warm thank you to parents/carers who I have met whilst being at ASCC. And of course, a thank you to the staff for their continued support.

Wishing you all a lovely summer.

# NETBALL

Calling all current Year 4 and 5 children. Are you interested in joining our school netball team?

From September, we will be looking at entering two teams to give more children the opportunity to take part in games. We will be entering The Blackpool Schools Competitive League and The Blackpool Schools Development League.

Anyone is welcome whether you have played netball before or would simply like to come and have a go. Netball is a great chance to become part of a team, to exercise and have fun. If you have any questions please ask Mrs Briggs.

More information on training days will be announced in September.  
Thank you,  
Mrs Briggs
