MS LOGAN SAYS

Dear parents/carers,

Well, the rain has certainly returned with a vengeance this week! This hasn't stopped the children enjoying the fresh air and outside areas.

The new reception area is still being worked on with an end date expected next week - thanks to everyone for their patience; it will certainly be worth the wait when it is ready.

The birds nesting in our tree in the KS2 playground are growing well and will soon be ready to fly the nest - everyone has certainly been engrossed with their development. We certainly feel privileged that they chose 1 of our only 2 trees in the playground!

We look forward to welcoming you to our parents evening next week - Wednesday and Thursday.

Wishing you all a lovely weekend.
