MR FARLEY SAYS

Dear parents/carers,

You may have seen, in the press, a campaign lead by the Children's Commissioner for England, Dame Rachel De Souza, called The Big Ambition. She has emailed me to ask if Roseacre children and families can complete the survey here:

She says in her email "...I must reiterate that it is vital that all children have their voice heard through this survey because, as Children's Commissioner for England, I have a statutory duty to protect and promote the views and interests of children. The Big Ambition provides a much-needed opportunity for the children of England to tell political decision makers what is important to them ahead of the General Election. I will be sharing their responses with Government to ensure that children's voices are heard."

Have a lovely weekend.
